- Badges do not require an SDS

Failure to include a commercial invoice, referring to incorrect information, or omitting your customs contact information may result in delays or rejection at customs.

Include statement on commercial invoice: Samples have no commercial value, are being returned to USA for analysis and disposal.

Assay Technology is not responsible for customs duties or taxes.

All duties and taxes should be billed directly to the shipper or a third-party shipping account.

Any duties or taxes incurred by Assay Technology will be invoiced to the customer.
